

Applying for grants in the field of cardiovascular and metabolic diseases?

ARE YOU....

- A mid- to senior-level PI looking to apply for grants in the cardiovascular and -metabolic research field?

DO YOU WANT TO....

- Get feedback & support on your grant application?

....THEN JOIN OUR WORKSHOP SERIES THIS FALL!

We provide support to both clinicians & basic scientists applying for funding from the NNF (Borregaard, Hallas-Møller & Distinguished programmes), the ERC or NIH RO1 programmes

Keynote:
Rasmus Borgquist
NNF's perspective and strategy in targeting cardiometabolic disease
