Title of dissertation: The Mali Schistosomiasis Morbidity Study - MaSchisMo

Date for defence: 24th of May at (time of day): 12.30 Place: Retsmedicinsk afd, Skejby

Media release (Danish)

PhD-forsvar Chalotte Willemann Stecher

MaSchisMo studiet er udsprunget fra feltarbejde i Mali, hvor morbiditet ved parasitsygdommen schistosomiasi beskrives og fortolkes med sigte på fremtidige muligheder for kontrol som led i den overordnede bekæmpelse af såkaldte negligerede tropiske sygdomme. Forsvaret afrunder et nyt ph.d.-projekt fra Aarhus Universitet, Health. Projektet er gennemført af Chalotte Willemann Stecher, der forsvarer det d. 24/5/2017.

Forsvaret af ph.d.-projektet er offentligt og finder sted den 24/5 kl. 12.30 i lokale 32, Skejby Sygehus. Indgang 1. Titlen på projektet er "The Mali Scistosomiasis Morbidity Study - MaSchisMo". Yderligere oplysninger: Ph.d.-studerende Chalotte Willemann Stecher, e-mail: Chalotte2@gmail.com, tlf. 60923855.

Media release (English)

PhD-defense. The Mali Schistosomiasis Morbidity Study - MaSchisMo

The project reflects results from field work performed in Mali and describes morbidity associated with the parasitic disease schistosomiasis. It discusses future aims for disease control and prevention as part of the over all aim to fight neglected tropical diseases. The project was carried out by Chalotte Willemann Stecher, who is defending her dissertation on 24/5/2017.

The defence is public and takes place on 24/5 at lokale 32 in Skejby University Hospital, Palle Juul Jensens alle 99, 8200 Aarhus N. The title of the project is: "The Mali Schistosomiasis Morbidity Study - MaSchisMo". For more information, please contact PhD student Chalotte Willemann Stecher, email: Chalotte2@gmail.com, Phone +45 60923855.

Permission

By sending in this form:

- I hereby grant permission to publish the above Danish and English media releases as well as any submitted photo.
- I confirm that I have been informed that any applicable inventions shall be treated confidentially and shall under no circumstances whatsoever be published, presented or mentioned prior to submission of a patent application, and that I have an obligation to inform my head of department and the university's Patents Committee if I believe I have made an invention in connection with my work. I also confirm that I am not aware that publication violates any other possible holders of a copyright.
